ACCESSIBILITY INFORMATION

The U.S. Department of Justice is committed to providing access to our electronic and information technology, including our web pages, for individuals with disabilities in accordance with Section 508 of the Rehabilitation Act.

Section 508 requires us to ensure that Federal employees with disabilities, and members of the public with disabilities seeking information or services from us, have access to and use of information and data that is comparable to the access and use by Federal employees, or members of the public who are not individuals with disabilities, unless an undue burden would be imposed on us. To meet this commitment, our web pages have been designed to meet or exceed the Section 508 standards.

If you have a disability and the format of any material on our web pages interferes with your ability to access the information, please contact the Department's webmaster at webmaster@usdoj.gov. The webmaster will refer your request to the appropriate Department component, and the component will respond to your request. To enable us to respond in a manner most helpful to you, please indicate the nature of the accessibility problem, the web address of the requested material, your preferred format in which you want to receive the material (electronic format (ASCII, etc.), standard print, large print, etc.), and your contact information.
